Attend the workshop to provide your answers to these questions and to hear what your neighbors say:

- What qualities do you appreciate most about your community, your neighboring communities, and the metropolitan Boston region?
- What challenges does the region need to overcome?
- What features would you like to see maintained or improved for your generation and future generations?

Your opinion is important!

MetroFuture is an initiative of the Metropolitan Area Planning Council, the regional planning agency for the 101 communities of the Greater Boston region. MetroFuture will assess regional needs, envision a better future for the region, and recommend ways of reaching that vision.

For more information including detailed directions to the event, contact Heidi Samokar, (617) 451-2770 Ext. 2050 or hsamokar@mapc.org or visit our project website at www.MetroFuture.org.
